Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

1. Claims 35-51 are allowed.
2. Relative to independent claims 35 and 47-50 the major difference between the teaching of the prior art of record (Sheridon, Comiskey et al, Berge et al. and Faris) and the instant invention is that the said prior art **does not teach** a display device with one or both of inner surfaces of light-transmissive sheets are hydrophobic, one or more measures of a light-transmissive liquid, selectively controlling the electrical potential delivered to each of electrical elements so as to create an electric field affecting the associated measure of liquid, thereby inducing a change in the location or shape of affected liquid measures, and refracting and modulating the direction of light passing through liquid measures to be directed onto or through selected color areas of multi-colored light filters.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
